Sweet

Plus choose one from English breakfast tea, Filter coffee, fresh orange juice or fresh apple juice. Ask your server for your free re-fill or for any additional drinks which can be added to your bill.

Please note: Occasionally we have 'special' teas on specific days, e.g. Valentines Day, Mothers Day and of course our amazing Festive Teas available from the last weekend of November. These are priced differently from our standard afternoon teas. Vouchers may be used as part-payment for special teas though a top up may be required.
